Copy and paste the Share Text Message below to share the Umergency \$18K+ Challenge with your friends, colleagues, and family:

Hi,

Will you help my (**sorority OR fraternity**)? We're participating in the Umergency \$18K+ Challenge to help promote on-and-off campus safety nationwide. Many colleges have campus safety apps. But Umergency, the award-winning Health & Safety App for College Families, can be used *anywhere, anytime*.

I'd love it if you could help us out by downloading the Umergency App & signing up for a subscription (free for students). Please include this special promo code, **[YOUR ORGANIZATION'S PROMO CODE]**, to make sure we get credit for your signup. Thank you!
